

Virginia FFA Middle School – General Information

1. Clipboards, pencils and 4-function calculators are recommended for all contest areas. **No phones can be used as calculators.**
2. The coach of each team should provide the team number and contestant number for each individual and review with the students how to complete the Scantron score sheet.
3. Coaches are encouraged to review the contest. When reviewing the contest, **DO NOT** take pictures of contest materials. No contest materials should leave the contest area.
4. Review the rules on the Virginia FFA website.
5. Use the current identification lists for all CDE's.
6. Contestants are permitted to participate in more than one contest, as long as the contests are not conducted at the same time.
7. Many volunteers are required to make sure the middle school CDE's run smoothly at State Convention. Further information about how you can volunteer to help will be provided in the near future.
8. Minor changes have been made to the Middle School Contest Guide in May 2024.
9. Please contact Abbi Copp at aecopp@shenandoah.k12.va.us if you have any questions or concerns at the middle school events, or if you have any students needing accommodations.
