Dear Friends and Members of the Virginia FFA and Ag Ed Family,

With the recent announcement from Virginia Tech regarding the cancellation of on campus summer events, Virginia FFA is left to make some difficult decisions regarding our annual State Convention. Our governing board is considering various options and a decision will be made by May 1st. It is our goal, no matter the time or platform, to provide a meaningful and widely impactful experience for our members across the state. We greatly appreciate your dedication to our association and your continued patience during these challenging times.

Sincerely,

A handwritten signature in blue ink that reads 'G. Andrew Seibel'.
